FOR IMMEDIATE RELEASE

May 29, 2009

Parker County

Maintenance begins on area roadways

WHERE: Various state roadways in Parker County

- FM 1885
- FM 920
- FM 730
- FM 1708

WHEN: Weekdays, beginning at 7 a.m.

WHAT: Throughout June, several Parker County roadways will be improved through seal coats. Maintenance work will reduce two-lane roadways to one lane at various locations.

When maintenance work necessitates two-lane roadways be reduced to one lane, a pilot car will lead motorists through the work zone. Motorists can plan their travel by viewing information on the closures at our TxDOT website at:

www.txdot.gov/travel/road_conditions.htm

In addition to this upcoming work, in late May Interstate 20 shoulders were fog sealed from Interstate 30 to the Tarrant County line.

Although the impact to the motorists will be minimized as much as possible, motorists can expect delays and are encouraged to seek alternate routes.
