

DECLARATION OF DISASTER AND PUBLIC HEALTH EMERGENCY

WHEREAS, in December 2019 a novel coronavirus, now designated COVID-19, was detected in Wuhan City, Hubei Province, China. Symptoms of COVID-19 include fever, cough, and shortness of breath. Outcomes have ranged from mild to severe illness, and in some cases death; and

WHEREAS, on January 30, 2020, the World Health Organization Director General declared the outbreak of COVID-19 as a Public Health Emergency of International Concern (PHEIC), advising countries to prepare for the containment, detection, isolation and case management, contact tracing and prevention of onward spread of the disease; and

WHEREAS, on March 5, 2020, the World Health Organization Director General urged aggressive preparedness and activation of emergency plans to aggressively change the trajectory of this epidemic; and

WHEREAS, on March 11, 2020, the World Health Organization declared that the COVID-19 outbreak should be characterized as pandemic; and

WHEREAS, the Center for Disease Control and Prevention is closely monitoring the growing number of COVID-19 cases that have spread into the United States; and

WHEREAS, over 8,000 cases of COVID-19 have been reported in the United States, including 150 deaths; and

WHEREAS, President Trump declared a national emergency on March 13, 2020; and

WHEREAS, Governor Greg Abbott declared a public health disaster on March 13, 2020; and

WHEREAS, the Center for Disease Control recommends that citizens stop handshaking, clean hands at the door, schedule regular hand washing, avoid touching faces and cover coughs and sneezes, disinfect surfaces like doorknobs, tables, desks, and handrails regularly, and increase ventilation by opening windows or adjusting air conditioning; and

WHEREAS, the Center for Disease Control recommends the use of videoconferencing for meetings when possible, and adjusting or postponing large meetings or gatherings; and

WHEREAS, the Center for Disease Control recommends citizens stay home if they are feeling sick or when they have a sick family member in their home; and

WHEREAS, households with vulnerable seniors and those with underlying health conditions should conduct themselves as if they were a significant risk to the person with underlying conditions; and

WHEREAS, the identification of “community spread” cases of COVID-19 in the United States has signaled that transmission of the virus is no longer limited to those who traveled to China, or

had contact with travelers who have visited China; and

WHEREAS, a large gathering of unidentifiable individuals without necessary mitigation for the spread of infection may pose a risk of the spread of infectious disease; and

WHEREAS, pursuant to the Texas Disaster Act of 1975, the mayor is designated as the emergency management director of the City of Willow Park, Texas, and may exercise the powers granted to the governor on an appropriate local scale; and

WHEREAS, a declaration of local disaster and public health emergency includes the ability to reduce the possibility of exposure to disease, control the risk, promote health, compel persons to undergo additional health measures that prevent or control the spread of disease, including isolation, surveillance, quarantine, or placement of persons under public health observation, including the provision of temporary housing or emergency shelters for persons misplaced or evacuated and request assistance from the governor of state resources; and

WHEREAS, the COVID-19 virus spreads between people who are in close contact with one another through respiratory droplets produced when an infected person coughs or sneezes; and

WHEREAS, the continued worldwide spread of COVID-19 presents an imminent threat of widespread illness, which requires emergency action; and

WHEREAS, a declaration of local disaster includes the ability to take measures to reduce the possibility of exposure to disease, control the risk, and promote the health and safety of Willow Park residents; and

WHEREAS, the City of Willow Park, Texas will work collaboratively with Parker County to ensure that all appropriate and necessary measures are taken to limit the development, contraction and spread of COVID-19; and

WHEREAS, by this Declaration of Public Health Emergency, I declare all rules and regulations that may inhibit or prevent prompt response to this threat suspended for the duration of the incident; and

WHEREAS, pursuant to the authority granted to the Mayor under the Texas Disaster Act of 1975, I authorize the use of all available resources of state government and political subdivisions to assist in the City's response to this situation; and

WHEREAS, I, Doyle Moss, Mayor of the City of Willow Park, Texas, have determined that extraordinary and immediate measures must be taken to respond quickly, prevent and alleviate the suffering of people exposed to and those infected with the virus, as well as those that could potentially be infected or impacted by COVID-19;

NOW, THEREFORE, BE IT PROCLAIMED BY THE MAYOR OF THE CITY OF WILLOW PARK, TEXAS:

1. That a local state of disaster and public health emergency is hereby declared for the City of Willow Park, Texas pursuant to §418.108(a) of the Texas Government Code.

2. Pursuant to §418.108(b) of the Government Code, the state of disaster and public health emergency shall continue for a period of not more than seven days from the date of this declaration unless continued or renewed by the City Council.
3. Pursuant to §418.108(c) of the Government Code, this declaration of a local state of disaster and public health emergency shall be given prompt and general publicity and shall be filed promptly with the City Secretary.
4. Pursuant to §418.108(d) of the Government Code, this declaration of a local state of disaster and public health emergency activates the City of Willow Park Texas emergency management plan.
5. Pursuant to §418.020(c) of the Government Code, this declaration authorizes the City to commandeer or use any private property, temporarily acquire, by lease or other means, sites required for temporary housing units or emergency shelters for evacuees, subject to compensation requirements.
6. Pursuant to §122.005 of the Health and Safety Code, this declaration authorizes the City to take any actions necessary to promote health and suppress disease, including quarantine, examining and regulating hospitals, regulating ingress and egress from the City, and fining those who do not comply with the City's rules.
7. The City Secretary is directed to give prompt and general publicity of the issuance of this declaration.
8. This declaration shall take effect immediately from and after its issuance.
9. In accordance with Texas Government Code §418.173, a person who knowingly or intentionally violates this declaration commits an offense, punishable by a fine up to \$1,000.00 or confinement in jail for a term that does not exceed 180 days.
10. The Local Health Authority, Director of Health or I, as the Mayor of the City of Willow Park, may order restrictions and rules as necessary to respond to the evolving circumstances of this outbreak during the duration of this declaration and any extension by the City Council without the issuance of a new declaration.
11. As Mayor, I further reserve all other authority and powers conferred by state law to respond as necessary to this situation.

ORDERED this 20th day of March, 2020.

Doyle Moss, Mayor
City of Willow Park, Texas
