From: Josh Armstrong

Date: August 23, 2016

Item Number: Council Meeting 8/26/16 – Section 2, Item 3

Subject: Proposed Tax Rate

Detail Memo

City Council Action Requested:

To authorize staff to publish FY2016-17 Proposed Tax Rate

Background Information:

After discussing the city's I&S rate with Larry Hammonds from the Parker County Appraisal District I have confirmed that our new I&S rate will be .2384. This is an increase of 6.7 cents per \$100. The maximum rate that can be set to avoid a roll back is .55950789.

The special meeting has been called to set the proposed tax rate for public hearing notification. The rate eventually decided on by council for the FY2016-17 budget can be lower than the proposed rate. It is my recommendation that council uses the rate of .5595 per \$100 of assessed value as the proposed rate at the special meeting.
