Complete Description of Contracted Work: _____

Those requiring temporary disconnection or reconnection of water service must contact Utility Billing, 817-441-7108, Ext. 304. Failure to contact the Public Works Department and arrange for service disconnection/ connection could result in meter tampering fees plus repair costs for any damage caused.

This permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provision of Laws and Ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the State of Local Law regulating construction or the performance of construction.
